Thank You Letters from our Patients!

Dear CTMOM,

I was an ordinary patient of ordinary means that was in need of your help Saturday, April 8, 2017 in New Haven, CT. Your team took care of me as if I was the most important person on earth!

Thank you to everyone who helped me from the greeter, to the people who recorded my information, to the nurses, to the dentists, to the x-ray technicians, to the oral surgeon and assistants. I totally appreciated the free services you provided.

I can smile again!

I am so grateful for what you all did for me and hope to be able to give back by volunteering at your event in the future!

Thank you! Thank you! Thank you!"

L. M.

Dear CTMOM,

Thank you all so very much for what you have done for me.

Today was surreal:

1. I was thanked very many times for my service to defend our country.

2. The staff were courteous and professional.

3. Everyone labored to keep my nervousness at bay.

I will never forget and be eternally grateful for all CTMOM did for me. Your selfless service is so gratefully appreciated.

Thank you so very much!

Very best regards,

B.M.
