What is the Connecticut Mission of Mercy Free Dental Clinic?

The Connecticut Mission of Mercy Free Dental Clinic, a program of the Connecticut Foundation for Dental Outreach (CFDO), is affectionately referred to as CTMOM. The two day clinic provides free dental care to the underserved, uninsured and working poor in Connecticut – those that would otherwise go without dental care. Oral health is inseparable from general health and can affect a person's self-esteem, compromise their ability to work, attend school and lead a normal life. Every year, a Connecticut Mission of Mercy project is held in a different location throughout the state.
