ABOUT CTMOM

CONNECTICUT
MISSION of MERCY

What is the Connecticut Mission of Mercy Free Dental Clinic?

The Connecticut Mission of Mercy Free Dental Clinic, a program of the Connecticut Foundation for Dental Outreach (CFDO), is affectionately referred to as CTMOM. The two day clinic provides free dental care to the underserved, uninsured and working poor in Connecticut – those that would otherwise go without dental care. Oral health is inseparable from general health and can affect a person's self-esteem, compromise their ability to work, attend school and lead a normal life. Every year, a Connecticut Mission of Mercy project is held in a different location throughout the state.

Sponsorship Opportunities

We Can't Do It Without You!

The CFDO offers a number of opportunities to support CTMOM. Your gift, at any level, will change lives.

Sponsorships allow your organization to get your company name in front of dental and health professionals, community volunteers, and patients.

All Major Sponsorships (Bronze-Diamond) include: recognition in the e-newsletter; on CFDO.org, in the CTMOM annual video and with a logo in the Annual Report.

All In-Kind Donations please include an itemized list of supplies to be donated with associated value.

Both monetary and in-kind donations are needed and welcome!
