THANK YOU NOTES

**Just want to say that I made it to the clinic.
WOW...want to thank you and all the people involved.
I had a most wonderful experience. Both doctors (one
for the root canal and one for the filling), did a
fantastic job; and the assistants, as well! I have to say
all the people were so friendly and helpful. THANK
YOU SO MUCH. Wish I could remember all the names.
Please pass this to someone that should know,**

**Thank you so much,
Marty H**
