for Dental Outreach**
Making a Difference

Dear Colleagues,

Throughout my 45 years in dental practice in Connecticut, I was fortunate to work with outstanding specialists across the state. Like many general dentists, I often received holiday gifts from specialists in appreciation of the referrals I sent throughout the year. While those gifts were truly appreciated, I've come to believe there is an even more purposeful way to express that gratitude.

This year, I invite you to honor the dentists who have placed their trust in you by making a charitable gift in their name to the Connecticut Foundation for Dental Outreach (CFDO).

For nearly two decades, CFDO has expanded access to oral healthcare for Connecticut residents facing financial barriers, lack of dental insurance, disabilities, and other challenges to receiving care. Through volunteer-driven clinics and community partnerships, thousands of patients have received life-changing dental services and have been connected to ongoing care.

Your gift is a meaningful (and tax-deductible) way to recognize the professional relationships that strengthen our dental community while helping ensure our neighbors receive the oral healthcare they deserve.

Making a gift is easy. Simply scan the QR code, identify the dentist(s) you wish to honor, and receive an immediate tax acknowledgment. You may also send a list of honorees and your donation via check made out to "CFDO" to the address below. We will send all honorees a personalized letter notifying them that a gift has been made in their honor. If you prefer to make your donation now, we can hold the notification until the holiday season. For additional information, please go to the CFDO Website, www.cfdo.org, or contact Courtney Tyler, Program and Communications Coordinator at 860-863-5940 or ctyler@cfdo.org.

Thank you for considering this opportunity to recognize your colleagues while making a lasting difference for patients across Connecticut.

With appreciation,

Jeffrey Pivor, DDS
CFDO Board Member
